

Miss Kiran Khabra

I have been fortunate enough to teach at Cranford Primary School for the last 14 years starting as a Newly Qualified Teacher to my current role as Deputy Headteacher. I have worked hard to ensure that our vision statement and ethos is evident in every aspect of school life, where the entire school community believes in the need for hard work, as well as enjoyment, when it comes to learning.

As an educator, I am passionate about helping our pupils to become independent, lifelong learners through the support and guidance they receive at our school. I plan to further contribute to the success of our school by working as part of the Governing Body. I believe I bring a unique set of skills and experience to this role and I look forward to continuing to make a positive impact on children's lives.
