Year 4's Local Walk!

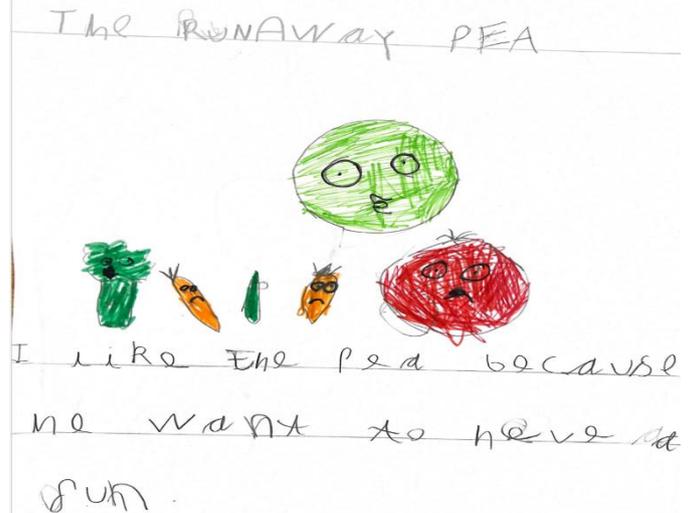

On the day of the trip, I was very excited to go. On the trip, we went in a circle around the school, walked a bit then stopped to draw everything we could see. We drew trees, plants, houses, cars, bushes and many more things. We all had partners and my partner was Gurshant. We were drawing from the top of the road and Miss helped us to draw the roads. Behind our class, there was Scarlet Class on the trip with us.

Review of my favourite book

My favourite book is The Enchanted Wood. The writer of the book is Enid Blyton. I got this book as my Christmas gift. What I liked most about the book is when I discovered the Enchanted Wood. It is all about the Magic Faraway Tree. There are many magical places to explore like Land of Birthday, Land of Toys and more. I would like to recommend this book to all of my friends. This is an amazing book!

Article 7:

Every child has the right to a legal name and nationality, as well as the right to know and, as far as possible, to be cared for by their parents.

Right of the Week!

Year 5 voted for this week's article!

It is important for everyone to have his or her own name, identity and nationality.

By Crimson Class

In this issue:

- Interview with Miss Kempt and Miss Khabra!
- Eco News!
- Year 4's Local Walk!
- Guess Who?
- Career's week exclusive!
- Crossword puzzles!
- Year 2 book review!

Local Teacher Interviewed at School!

Our own Miss Kempt tells us all about her favourite things!

What is your favourite animal?

I love cats and dogs but my favourite are dogs.

What is your favourite movie?

My favourite movie is Encanto!

What is your favourite food?

My favourite food is lasagne.

Which country would you most like to go to?

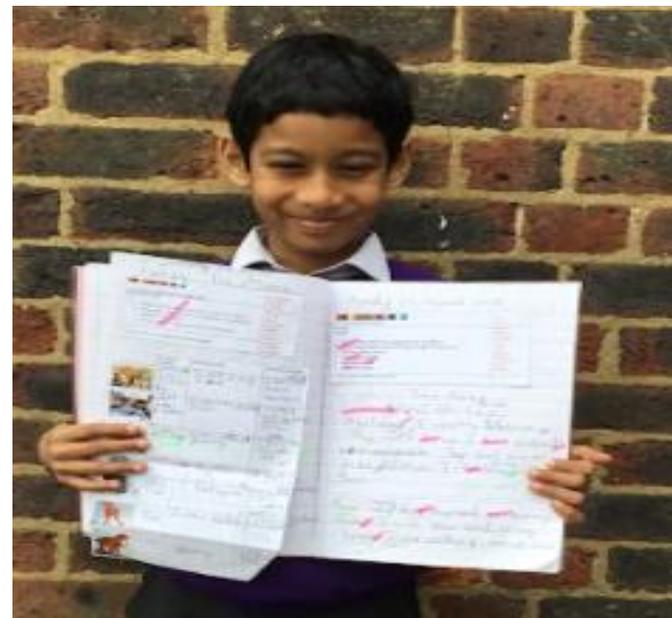

I really want to visit Paris which is in France!

What job did you always want to do when you were younger?

I always wanted to be an artist, but I decided to become a teacher instead.

Reported by Manshveer

This is my favourite piece of work from Opal class this term. It is a diary entry about a robot!

By Chrysler

Local Teacher Interviewed at School!

Here is an insight into our very own Miss Khabra and her favourite things!

What career did you want to do?

I always wanted to become a teacher.

What is your favourite movie?

My favourite movie is Encanto!

What is your favourite dessert?

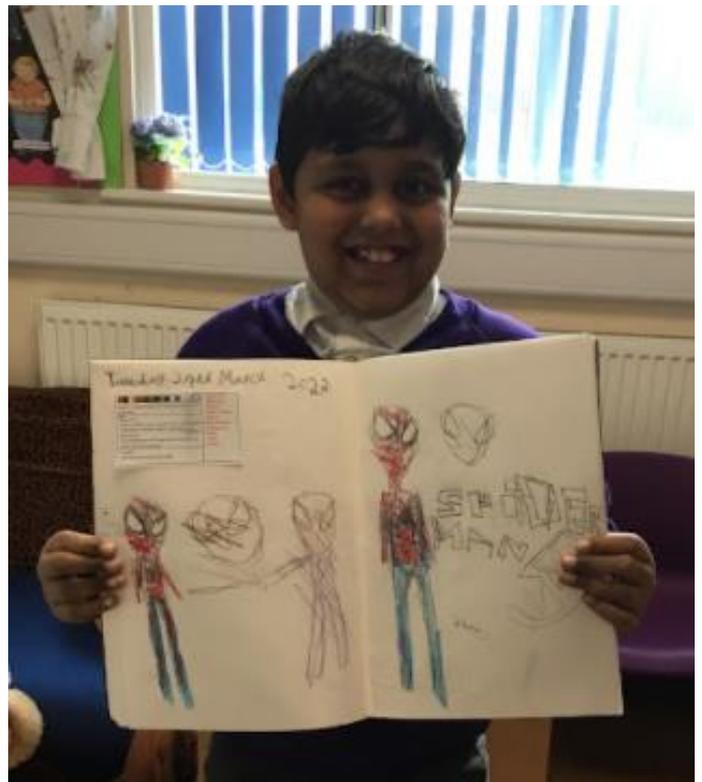

My favourite dessert is blueberry muffins!

What is your favourite hobby?

My favourite thing to do is read with my pupils.

Reported by Khadijah

I drew Spiderman because he is my favourite and I love the colours!

By Amar-Rai

Pastry Chef

What is a pastry chef?

They are responsible for the creation, decoration and presentation of desserts including cakes, pastries, desserts and pies. They are employed in large hotels, bistros, restaurants, bakeries and some cafes.

Why do I want to be a pastry chef?

I have always enjoyed baking cakes and sharing it with my friends and family. It makes me happy to be doing something I love.

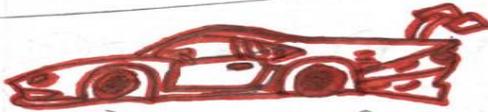

What cakes do I like to bake?

I like many cakes but if I had to choose, it would be an Oreo or red velvet cake. However, my brother and I make a 3D cake, which was mouth-watering and superb.

FACTS ABOUT HAVING MY OWN CAR DEALERSHIP

(my dream job)

(by Umar)

DIFFERENT TYPES OF CARS

- LAMBORGHINI • VW • Honda
- Toyota • Volvo • Bentley
- Ferrari • Hyundai • Bugati
- BMW • Mercedes • Nissan

Fun facts

- More than 8000 independent dealership companies own and operate nearly 18,000 franchised new-car dealerships across the country.
- More than half of ^{these} 8,000 companies own only one dealership (or store front). Another 2,000 own only two store fronts.
- New car dealers support 2.3 million American jobs.
- Local franchised dealerships employ more than 1.1 million Americans.

Did you know: there are 18000 New car dealerships in the United States.

Did you know: The average salary for a car salesman is £31,576 per year.

More interesting facts

- There are currently more than 1 BILLION vehicles being used a round the world.
- If you drove at an average rate of 60 MPH, you could make it to the moon in less than six months.
- Did you know: 70 million cars are being produced every year!
- Using a cell phone while operating a car increases the chances of an accident by 20 times.

A little more fun facts

- The average US driver 42 hours per year stuck in traffic! That's almost 2 days.
- Only 18% of American drivers today know how to drive a manual transmission.
- Did you know: 78% of an average car is recycled.
- Hope you have enjoyed...

Year 6 – Interviews with our family!

Dad:

Went to school in Africa (Sudan).

The teachers were very strict but fair.

There were 55 students in the class.

You would buy food from elsewhere but eat it in the schoolyard.

There were 6 classrooms in the school.

The classes were small. It had tables and benches, a blackboard and no AC.

There was no MUGA, no playground or gym, not even grass, just a sandy yard.

Mum:

Went to school in England (Staines).

Some teachers were kind and some were strict.

There were around 25 students in a class.

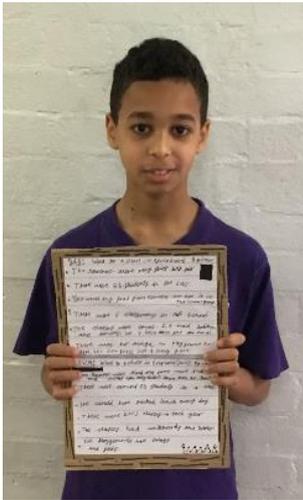

She would have packed lunch every day.

There were 2 or 3 classes in each year group.

The classes had whiteboards and tables.

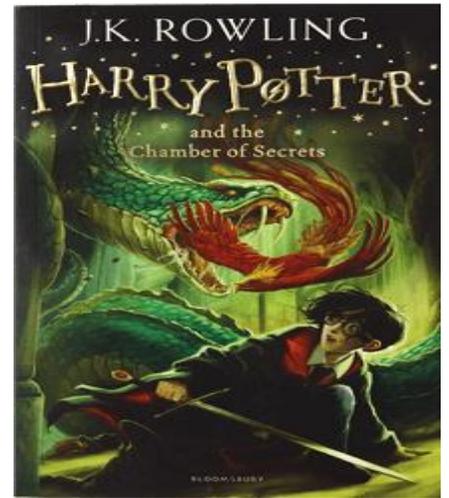

The playgrounds had swings and fields.

By Umar

My brother's favourite books is Harry Potter and the Chamber of Secrets by J.K Rowling. He says he likes fantasy books and movies because it is interesting for him. Also, the images in your head are so vivid that they are almost tangible when you read the book. My brother told me that J.K Rowling has written such an excellent detailed description of all the characters.

ECO WARRIORS

At the most recent eco meeting, members of the committee met to discuss the next steps for the three areas on our action plan which are: saving energy, picking up litter and developing our outside learning environment. Alongside this, we discussed how we would achieve these actions by: turning off the lights and boards (to save energy). We also wrote letters asking local organisations for donations such as litter pickers to ensure our school environment is litter free. Now that we are going into summer time, we can take learning outside and think of our outside areas as the classroom.

Each Year group has been allocated a planter (which are located near the MUGA) to plant flowers, fruits and vegetables. For your Eco Top 10 challenge this term, we have come up with a task for the children to complete across the school. The task to use junk modelling (recycled materials - plastic bottles, boxes, cardboard etc.) to make models out of. Please, take pictures and bring them in/bring the models in if you can.

Guess That Character!

The character has bright, blue hair as blue as the ocean and her voice is as loud as a drum. She has very bad eyesight because she is as blind as a bat. She is like two peas in a pod. Her tail is like a long snake. The character also has very messy hair filled with crabs, seaweed and other sea creatures.

Who am I?

By Aleeza

Its - Oliver and the Sea Wigs!

Guess That Sport!

- The player must bounce or dribble the ball with one hand while moving both feet. The player can only take one turn at dribbling.
- The ball must stay in bounds
- The player's hand must be on top of the ball while dribbling.
- Once the team crosses half the court, they may not go back into the backcourt.
- Do not foul.
- They cannot kick or hit the ball with their fist and legs.
- No player can touch the ball while it is travelling downward towards the basket.

What sport am I?

By Dilveer

Basketball

Guess That Article!

Every child has the right to reliable information from the media. This should be information that children understand. Governments must help to protect children from materials that could harm them.

Which article am I?

By Salman

Article 17

Guess That Article!

Both parents must have responsibility for bringing up their child and always consider what is best for them.

Which article am I?

By Yahya

Article 18

Music in Year 5

In music, I play a marvellous instrument: the clarinet. Although it is tall, it is still outstanding. To hold it, we keep it on the side of or best hand – left or right. Despite which hand you have, we always have our right hand on the top. We only learn to play the top 3 buttons. C is all three buttons – plus the one at the back. D is 2 buttons covered with the button at the back. E is 1 button at the front plus the one at the back. F is only the one at the back and G is no buttons at all.

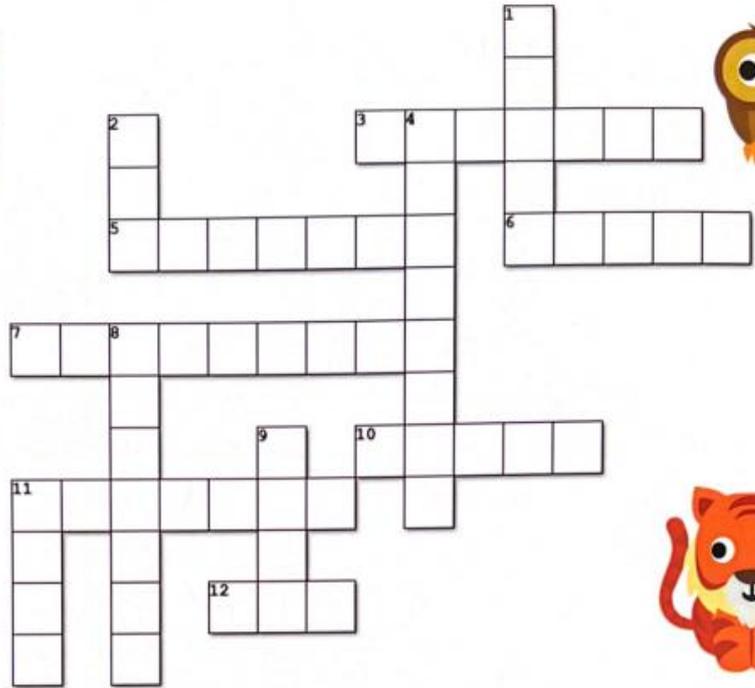

By Zayan

At school for clarinet, we learn 5 notes (c, d, e, f and g). The clarinet is black and silver. There are rests that we learn to take a pause. In Year 4, we get a smaller clarinet but when we are in Year 5, we get a bigger one. It is a bit difficult to play but it is fun at the same time.

By Manha

ANIMAL CROSSWORD

Across

3. I am a bird, my home is the antarctic, I'm not able to fly but I'm a fantastic swimmer!
