

CRANFORD
PRIMARY SCHOOL

Looking to hire an all-weather multi-purpose sports area? Suitable for a range of activities: 5-A-side football, netball and hockey just to name a few...

Complete with changing rooms, floodlights and free parking, Cranford Primary School has the perfect facilities for sports all ages.

Our facilities can be booked on a pay as you play basis. This means that you do not have to be a member to make a booking here. Just decide when or how often you want to play and it's as simple as that.

If a one-off game isn't enough, then why not take advantage of the block booking option? This is a great way to guarantee a weekly game and socialise with your friends. It also takes the hassle out of paying before each game and collecting money from teammates as there is a one-time payment.

Please email the school office – office@cranfordprimary.hounslow.sch.uk to receive the booking form
