Issue 28: 26th April 2024

Message from the Head Teacher

We were delighted to be awarded the Leading Parent Partnership Award (LPPA) this week. LPPA is a nationally recognised award achievable by schools who work closely with families of its pupils. The assessment is made by an external advisor. We worked hard to achieve this award as we know that increasing parental participation in school life leads to improved pupil progress, punctuality, attendance and behaviour. We want parents to be involved in their children's learning leading to improved outcomes in all aspects of school life. Thank you especially to Miss Davies, who led this initiative, to Miss Bailey, Miss Kopec, Mrs Borowska, Mrs Andrei and Mrs Baldwin, who supported Miss Davies and to the parents and governors who spoke to the assessor. We will share the report soon along with the Challenge Partners report.

Yesterday, Year 1 showcased their talents in our Vaisakhi Assembly. They have worked extremely hard over the past few weeks to learn their lines, dances and song words and the assembly was a massive success! We hope all of the parents who attended enjoyed the assembly and were as proud of their children as we are.

Can I remind parents not to park across people's driveways. We have received some complaints from our neighbours that they cannot leave or enter their own property. We have given the neighbours the number for the council's tow away service and any car reported blocking a drive way will be towed away. If you are a local resident and find that your drive way is blocked by a vehicle please call 020 8290 8301 – option 7 to report and have the vehicle towed away.

The school will be open as usual next Thursday – the 2nd May – when the school is used as a polling station for the Mayor of London and London Assembly elections.

The welfare and safety of all of the children who attend Cranford Primary School is our paramount concern. A comprehensive risk assessment is carried in conjunction with the London Borough of Hounslow, prior to each election. We can give you our full assurance that children in the school are safe during polling and we expect to see all children in school on 2nd May.

Remember that if you want to vote you'll need to take photo ID with you.

Rights Respecting School:

This week we have been focusing on Teamwork and have been learning about Article 39:

“Children neglected, abused, exploited, tortured or who are victims of war must receive special help to help them recover their health, dignity and self-respect.”

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song:
