

Summer Holidays - Top 10

Dear Parents and Children,

We hope you are safe and well. It is time for the Top 10 Activities! For the holidays, we have collated 10 projects you can choose to complete in any order. If you finish all 10 during the holidays, continue practising your times tables; learning your spellings; use the BBC website and Bug Club.

Remember to take care and look after yourselves and we look forward to seeing you back in school in September!

From your Year 5 teachers 😊

Project time!

Project 1	<p>Design a 3D model of Living things and their Habitats.</p> <p>You can choose your favourite animal!</p> 
Project 2	<p>Create a poster linked to our RE topic - Hinduism! The Key theme is on Prayer and Worship.</p>
Project 3	<p>Read a book that you like and draw a storyboard explaining what happens. You can use just pictures or add a brief sentence explaining what happens in each part.</p> <p>You could fold a piece of paper in half and then half again to create different sections for your storyboard.</p>
Project 4	<p>Create your own dance routine to your favourite song.</p>
Project 5	 <p>Decorate a glass jar with tissue paper and PVA glue</p>
Project 6	<p>During the summer break, cultivate a plant that we will observe together at school for the entire year!</p>

<p>Project 7</p>	<p>Can you create a poster that illustrates the qualities of a good friendship?</p>  <p>The poster features a central yellow owl with colorful wings and feet. The words 'Good Friends' are written across its chest. Surrounding the owl are several phrases in cloud-like shapes: 'kind', 'Sweet', 'help each other', 'listen', 'tell stories', 'share', 'love', 'play together', 'care', and 'nice'.</p>
<p>Project 8</p>	<p>Go on a nature walk and write down or draw the different creatures you see and their habitats.</p>
<p>Project 9</p>	<p>Make a postcard to send to a loved one describing your holiday and the scenery.</p>
<p>Project 10</p>	<p>Make your own board game. It could be related to Maths, English or any other topics. Think about what kind of point system you will have and get creative!</p>

Year 5 and 6 Statutory Spellings
