Homework:

Homework is a very important part of your child's learning in Year 5, for it sets the way for Year 6 and beyond.

We encourage all children to complete their homework on an electronic device, such as an i-pad or computer/laptop.

Every child in Year 5 has been given a Homework Diary. This will be used and recorded in on a regular basis. We believe that parental support is vital to each child's education and therefore request that Parents/Carers sign the diary once a week.

Thank you for your continued support with your child's homework.

What homework will my child receive?
