EYFS: - Long Term Plan (202-25)

Early Years Foundation Stage Planning					
<p>The staff plan to deliver a broad and balanced curriculum that encompasses all aspects of the Development Matters document across the year, based on the observations of children’s play and what their interests are. This appears in the weekly enhancements to the continuous provision, as well as in the adult-led focuses and group-time work. There are also opportunities to explore a variety of topics of work, including those suggested by the children.</p>
