# NCCE Unit 6

## Programming B - Programming animations

CPS Knowledge Organiser – YEAR 1

Computing – Spring Term 2

3 - Very confident

2 - Unsure

1 - Not confident

chromebook

### Key Vocabulary

**Animation-** Joining images together so it looks like they are moving.

**Coding-** Step-by-step instructions that tells a computer what to do.

**Sprite-** An object that performs functions and moves on screen.

**Functions-** Sets of code that contain one or more steps to complete an action.

**Programming-** A group of instructions for a computer to do.

**Command-** An instruction given to a computer program that tells it what to do.

**Algorithm-** A set of rules for a computer to follow in order to complete a task or solve a problem.

CPS Knowledge Organiser-

Art: Year 1, Spring 2

## 3D Sculpture & Modelling - Mixed media

### Our Learning Journey

**Investigate:** I can say what I like about other people's artwork.

**Practise:** I can use the names of tools, techniques and elements I use in my artwork.

**Progress:** I can try out different materials to design and make products.

**End Piece:** I can use art to share my ideas.

### Colours

The primary colours are **red**, **yellow** and **blue**. They cannot be made by mixing other colours together.

### Resources-

- Clay
- Pencils
- Oil pastels
- Chalk pastels
- Paintbrushes
- Watercolour Paints
- Poster paints
- Cardboard
- Newspaper
- Wallpaper

**Mixed Media-** using a mixture of media and processes.

\***Medium-**'singular' refers to one material an artist uses to create artwork.

### Sculptors and Modelling

A sculpture is a 2D or 3D piece of art that has been carved, chiselled or modelled into something like a statue.

Modelling is how we use our hands and tools to create something using abstract and mathematical thinking.

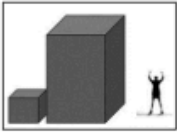

*Every Child an Artist!*

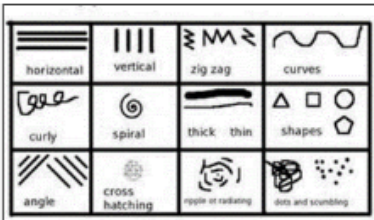

## Key Vocabulary

**Scale:** The size of objects

**Texture:** The feel or look of a work of art.

**Line:** A mark that can vary in length or shape. Lines can be curved, straight, thick or thin.

**Composition:** The layout of artwork/objects.

**Shade:** to darken (an area of a drawing, painting, or the like) by drawing many parallel lines or by filling in with a dark or somewhat dark colour.

**Tint:** where an artist adds a colour to white to create a lighter version of the colour.

## Key Artists

### Historical Artist- Auguste Rodin

Born on the 12th of November, 1840, Auguste Rodin was a sculptor, his works are distinguished by their stunning strength and realism. Rodin refused to ignore the negative aspects of humanity, and his works confront distress and moral weakness as well as passion and beauty. His sculptures can be made from clay or bronze. He lived in Paris for most his life, travelled across Italy and Brussels to draw inspiration for his art.

### Contemporary Artist- Anthea Hamilton

Born in London in 1978, Anthea Hamilton is famous for her big installations. She creates strange, surreal artworks that we can step into and wander around. She uses lots of different materials and techniques. Performance, sculpture, painting, video, fashion design ... whatever works best to express her ideas.
