Issue 27: 4th April 2025

Message from the Head Teacher

I must again remind parents to drive safely around the school roads. A child was hit by a car on the way to school this morning. Luckily, he was not badly injured but it is a stark reminder to all of us to drive slowly and carefully and for parents to hold their younger children's hands. Children should be taught to cross roads safely using the "stop, look, listen, and think" method.

Please do not let your child take another child's scooter or bike from the bike sheds or racks.

After School Clubs for the Summer term are now available to book using [Parent Pay](#). Places for some clubs get booked up very quickly so book now to avoid disappointment.

We have had some lovely special assemblies this week. The Resilience, Confidence and Independence Awards celebrated the incredible achievements of our pupils. Parents of children in Year 1 were treated to an amazing Vaisakhi assembly on Thursday and all of the children who still have 100% attendance were celebrated in special assemblies.

Here at Cranford Primary School we take absence management very seriously and we work alongside the local authority to ensure regular attendance. Parents might be interested to know that since September the local authority have issued 23 penalty notices to parents from Cranford Primary School who have taken their children out of school during term time.

Have a lovely Easter holiday – let's hope that the sun keeps shining! We look forward to seeing all the children back in school on 22nd April.

Joanna Mansfield, Interim Headteacher

School Uniform

At Cranford Primary School we believe that school uniform is important. A smart and distinctive uniform contributes to the public image of our school and ensures that our children are always easily identifiable. By taking a pride in their appearance, children are encouraged to take pride in other aspects of school life, including their work and surroundings.

It is expected that all children wear the uniform detailed below:

- Grey trousers, skirt or pinafore dress
- White shirt, blouse or polo shirt
- Purple cardigan or sweatshirt
- School tie (optional)
- Purple polo shirt (to be worn in summer only)
- A [purple gingham school dress](#) (for girls to be worn in the summer only)
- Black or purple head scarf – if you wish your child to wear one
- A sensible pair of black shoes that your child can put on and take off with the minimum of help

Sweatshirts, polo shirts, bags and PE t-shirts with the school logo on are available by order through the school shop.

We have a well-stocked second hand uniform shop where good quality, clean second hand uniform can be purchased at a reduced price. Please speak to a member of the office team to purchase second hand uniform.

If your child out-grows their uniform and it is still in good condition we ask parents to consider donating it to our second hand uniform shop.

Please make sure you put your child's name clearly (using a waterproof pen) in all of his/her clothes to avoid any confusion. A box for lost property is kept in the entrance lobby.

New Lunch Menu from 22nd April 2025

We believe that a balanced, healthy school lunch is vital to help make sure our children are ready to work through the afternoon and to deliver their best.

Our school catering team develop our meals to ensure balanced and healthy choices that appeal to our children and often these dishes are based on home favourites.

The Mayor of London has introduced universal free school meals for all primary school children.

Parents must book their child's school meals in advance – the deadline is midnight the night before to order a meal for the following day. To order your child's lunch you will need to log onto your [ParentPay account](#). Booking for lunches can be made all the way up to the end of term (July 2025).

Just a reminder, if lunches are not booked in advance your child/ren will be served the Jacket Potato option.

APRIL IS
STRESS AWARENESS
MONTH 2025

1. Talk openly and freely with family, friends and colleagues about stress and its effects to lessen the stigma attached to it
2. Tell others about your coping strategies, if anything has helped you why not tell them. It might benefit someone you care about and in the meantime, it might help you take your focus off your own challenges.
3. We will all inevitably encounter stress and worry at some point in our lives, therefore show empathy and compassion to people who are experiencing these emotions.
4. We all need to consider self-care more. Take care of yourself, set aside some time during the day to unwind or engage in an enjoyable activity. Even when you are under a lot of stress, remember to eat healthily and exercise.
5. Making sure you are still taking care of yourself is the most important thing you can do when you are feeling stressed. Learn to say no to requests that are too much for you.
6. #LeadWithLove – a powerful call to action rooted in the principles of unconditional positive regard.
7. This year's theme encourages us to approach ourselves and others with kindness, compassion and acceptance no matter the challenges we face.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.
