Issue 28: 25th April 2025

Message from the Head Teacher

Welcome back to the Summer term. This is always an exciting term with lots of school trips planned, the annual sports days and of course our Summer Fayre. Please make a note of all the 'diary dates' on the last page of this Newsletter.

For the Summer Term we also have a new After School Clubs programme and a new lunch menu – further details of which can be found in this newsletter.

On 8th May Cranford Primary School will be celebrating Victory in Europe Day - the 80th anniversary of the end of the Second World War when Prime Minister Winston Churchill announced that fighting in Europe against Nazi Germany had ended. Children will learn about the significance of this date for our country and will be invited to come in to school dressed in red, white and blue clothes.

You may remember some time ago that we held a pyjama day to fundraise to improve our library. Since then Miss Bailey, Miss Begh, Miss Saddington and Miss Davies have been working hard to update the library. The children have already started using the library but we thought it would be lovely for parents to come in and see for themselves. Parents are invited to come in and see the refreshed library after school on Friday 2nd May.

Joanna Mansfield, Interim Headteacher

Telephone numbers and contact details

It is essential that we have your up to date telephone contact numbers saved on the school's database. While day-to-day communication with parents is carried out using email we use telephone communication for dealing with emergencies such as any illness or accident concerning your child, school closures and any other urgent issues.

Several times over the last week we have been unable to contact parents whose children were in the Medical Room. Luckily, these children did not have serious injuries or illnesses.

Current safeguarding guidance suggests that each child has three or more contact numbers saved on the school's database. This might be the number for mum, dad, granny, uncle, sister or neighbour. Please let the school office know of any changes to your number.

CPS After School Clubs only £3.50 per session!

We are offering an extensive range of after school clubs for the Summer Term. Fitness, health and creativity are all integral parts of the school curriculum and our After School Clubs programme encourages children to develop skills in a variety of sports and to broaden their range of experiences and interests as well as helping parents balance work and family life.

Clubs start on Tuesday 22nd April 2025 and run until Monday 21st July 2025. Please refer to the Summer Term 2024-2025 After School Club Dates form for all Club dates and any dates where Clubs will not be running due to alternative school events.

Clubs run from the end of the school day until 4:15pm for Key Stage 1 Clubs, until 4:25pm for KS2 Clubs and until 4:20 for mixed (Yr1-6) Key Stage Clubs. Please collect your child from the Berkeley Avenue entrance.

Please note, if the Club falls on a day when your child does not have PE, then they will need to bring their PE Kit to change into at their Club. Children should also bring a drink and a healthy snack for refreshment.

If your child would like to attend a club, please log on to Parent Pay to pay the fees – spaces are allocated on a first come first served basis and clubs must be paid for in advance. Refunds will not be granted and we reserve the right to withdraw a club if there is not enough interest.

Year 5 Swimming Lessons

Swimming lessons for Year 5 will start on Monday 28th April 2025 and will continue every Monday until the end of term. Trained swimming instructors will lead the session and teachers will be there to supervise. The lessons will take place with half the year group at a time and the children will then be further divided into small groups depending on their ability.

ALL PUPILS MUST wear a swimming cap, or they will not be allowed to swim. Please make sure your child's name is marked clearly inside the cap and all other items.

GIRLS require - One-piece swimming suit, towel, swimming cap and a bag to carry the items in

BOYS require - Swimming trunks (above the knee), towel, swimming cap and a bag to carry the items in

All jewellery, including ear-rings, should be removed before school. Any child wearing a Kara should wear a sweat-band over it if they're not able to take it off during swimming. Please be advised that if your child is well enough to come to school, they are well enough to swim. If your child has a medical condition, please ensure that all medication is in school or they will not be able to swim. Children who are unable to go swimming due to a medical condition must produce a Doctor's Certificate.

New Lunch Menu from 22nd April 2025

We believe that a balanced, healthy school lunch is vital to help make sure our children are ready to work through the afternoon and to deliver their best.

Our school catering team develop our meals to ensure balanced and healthy choices that appeal to our children and often these dishes are based on home favourites.

The Mayor of London has introduced universal free school meals for all primary school children.

Parents must book their child's school meals in advance – the deadline is midnight the night before to order a meal for the following day. To order your child's lunch you will need to log onto your [ParentPay account](#). Booking for lunches can be made all the way up to the end of term (July 2025).

Just a reminder, if lunches are not booked in advance your child/ren will be served the Jacket Potato option.

World Immunisation Week

24th - 30th April 2025

Immunisation for All is Humanly Possible

Vaccines are one of humanity's greatest achievements.

Over the last 50 years, essential vaccines have saved at least 154 million lives. That's 6 lives a minute, every day, for five decades.

In these 50 years, vaccination accounts for 40% of the improvement in infant survival, and more children now live to see their first birthday and beyond than at any other time in human history. Measles vaccine alone accounts for 60% of those lives saved.

There are more lives to be saved by building on these achievements. The future of immunization means not only reaching millions of children who have never received a single shot, but protecting grandparents from influenza, babies from malaria and RSV, pregnant mothers from tetanus, and young girls from HPV.

Vaccines do

- help to protect you and your child from many serious and potentially deadly diseases
- protect other people in your family and community – by helping to stop diseases spreading to people who cannot have vaccines, such as babies too young to be vaccinated and those who are too ill to be vaccinated
- undergo rigorous safety testing before being introduced – they're also constantly monitored for side effects after being introduced
- sometimes cause mild side effects that will not last long – you may feel a bit unwell and have a sore arm for 2 or 3 days
- reduce or even get rid of some diseases – if enough people are vaccinated

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: He's got the whole world
