Art Skills: Drawing + Mixed-Media

Henry Moore + Faith Ringgold

Henry Moore

Faith Ringgold

Embark: We are going to look at the artists work to inform our own artwork and begin to practise techniques which will help us develop this terms art skills.

Steady Progress: We are going to develop our use of composition to create collages that depict stories, inspired by either of the artists.

Accelerated Progress: We are going to refine our drawing and mixed-media skills to develop our own narrative relief (plan using cardboard) and we will apply the skills we learn so that we are able to work use clay.

Destination: We are going to create our final piece, a relief made from clay. We will exhibit this.

Colour Theory

The **Primary** colours are three colours that cannot be made by mixing other colours. These colours are red, yellow and blue. When **primary** colours are mixed they make **secondary** colours.

Hue-Colour

Tone-This describes how light or dark a colour is.

Warm colours- These are colours associated with heat and the emotions excitement, anger and frustration.

Cool colours-These colours are associated with cold things, like ice, and feelings such as sadness, comfort and calm.

Complementary Colours-These colours are opposite on the colour wheel.

Shade: To make a colour darker, add black.

Tint: To make a colour lighter, add white.

Media- the materials and tools used by an artist to create artwork.

Drawing/Colouring Pencils

Felt-tip pens

Cardboard/Recycled materials

Paint(watercolour/poster)

Mixed Media- using a mixture of media.

Medium-singular

Our Learning Journey

Embark: Drawing skills-employ a range of drawing techniques such as, blind/negative space and line drawing.

Steady Progress: Employ drawing skills techniques. **Mixed-Media**-using a range of media to experiment with texture by creating crayon rubbings and using fabric etc.

Accelerated Progress: Develop composition, proportion, scale and perspective by creating plans for 3D reliefs (raised 3D artwork on a flat 2D surface). Plan record and evaluate artwork. **Mixed-Media** skills-create preparatory relief using cardboard.

Destination: Apply 3D + modelling skills such as, design, carving and moulding to create a clay relief that tells a story.

Key Vocabulary

Proportion: Proportion refers to the size of the parts of an object in relationship to other parts of the same object.

Texture: The feel, appearance or tactile quality of a work of art.

Sculpture: An artistic form in which hard or plastic materials are worked into three-dimensional art objects. They can be abstract forms, to be made by carving stone or wood or by casting metal or plaster.

Line: A mark that can vary in length or shape. Lines can be curved, straight, fat or thin.

Perspective: Perspective is the way that one looks at something. It is also an art technique that changes the distance or depth of an object on paper.

Abstract: This form of art is a part of a modern art movement that does not represent our everyday world in an obvious way. Abstract art can include colour, lines, and shapes (form) however, they are often not figurative (objects, people or living things).

Pattern: A pattern is a design in which lines, shapes, forms or colours are repeated. The part that is repeated is called a motif.

Composition: The arrangement and layout of artwork/objects.

Shading: The tonal and darker areas within a drawing/painting where there is less light on the object/person.

Scale: Scale refers to the overall physical size of an artwork or objects in the artwork. We always relate scale to the size of the human body - how big or small the piece is in relation to us. Scale is the size of one object in relation to the other objects in a design or artwork.

Highlight: The bright or reflective area within a drawing/painting where direct light meets the surface or object of a person.
