Cranford Primary School

Issue 5: 6th October 2023

Message from the Head Teacher

We are looking for a new parent governor. Being a governor is important, interesting and satisfying. Governors have the opportunity to express their own views, to listen to the views of other representing the school and its community and to influence our pupil's education for the better. As a CPS governor you would work in partnership with other governors and school staff to help shape the future of the school, to decide the key issues that will help staff continue to raise standards and to determine how the school will best spend its money to achieve these aims. If you wish to apply please complete the candidate form attached to this newsletter and return to Sara Edet, PA to the Headteacher, via the office email address which is office@cranfordprimary.hounslow.sch.uk by 16th October 2023.

Well done to all of the Year 2 children who put on a fabulous Harvest Festival assembly on Tuesday. It was clear that the children had done lots of rehearsing and it really paid off. Thank you to all of the parents who came to watch and also those who donated food items. These will be donated to the local food bank.

Next week the Book Fair returns to Cranford Primary School. This is a much loved tradition at our school which really gets the children excited about books. Reading for pleasure is transformative for pupils' academic success and personal wellbeing. This pop up shop never fails to inspire and excite the children by bringing books to the heart of our school!

Please remember that next Friday is our Legends of Time History Day. Children are invited to come to school dressed as a historical figure or someone who is a legend to them.

This day will include a day off timetable with children taking part in a range of fun activities and then presenting their learning to the other classes in their year group, in the afternoon.

We encourage children to dress up for this day as a 'Legend of Time'. This could be a historical figure or someone who is a legend to them.

Free School Meals for ALL Children

All children from Reception to Year 6 are now eligible for free school meals. Parents must book their child's school meals in advance - the deadline is midnight the night before to order a meal for the following day. You can pre-order meals all the way up until half term. To order your child's lunch you will need to log onto your [ParentPay](#) account.

The [school menu for this term can be found on our website](#).

This is a fantastic opportunity and we hope you take up the offer of free, healthy, hot dinners freshly prepared on site by our cooks.

Rights Respecting School:

This week marks the start of Black History month and we are focusing on 'opportunities'. We have been learning about Article 29 (Goals of Education):

"Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment".

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song - Give it all you got:
