Issue 6: 13th October 2023

Message from the Head Teacher

Today was Legends of Time history day. The children and teachers came to school dressed up as characters from various periods in history and they joined in various activities throughout the day to help them engage with their historical learning. Each class have also been learning about a different historical figure in Black History to support our celebration of Black History Month.

We are having a Coffee Morning next Wednesday at 9.30am. All parents, carers and grandparents are invited to join us. The coffee mornings are a great way to find out what's going on in school, learn ways to help support your child's learning and to meet the staff and other parents.

On 2nd November parents, children and all the family are invited to a very special evening – our festival of Light and Sound. Imagine being confronted by three giant heads which talk and sing – but the face on one of the heads is yours! 'Talking Heads' uses 3D face-capture technology to capture your facial movements; moments later, you can see your own face on a giant talking head. This free, interactive event is supported by the project 'Talking Heads – What Does 'Culture' Mean to Me?' an art project funded by Hounslow's Council Summer of Culture. Summer of Culture is a programme of arts and culture designed to provide opportunities for everyone in the borough to engage in culture. Follow @summerofculture or visit inHounslow.com/calendar to discover all the activities the programme has to offer. Refreshments such as popcorn, toffee apples and hot chocolate will be available to purchase on the evening. Please make a note of this date in your diary.

The Book Fair ends today. Yet again it was a great success – furthering our children's love of reading while raising valuable funds for the school. Thank you to all parents for supporting this event.

Parents of children currently in Year 6 must apply for their children's secondary school place by 31st October 2023. The online application portal is already open so please do not delay. If you are not sure how to apply please come and speak to the office staff at your earliest convenience. If you do not apply by 31st October it is highly unlikely you will get a place at your child's preferred school.

Let's take a moment to reflect on the Creative Mile exhibition that took place this past summer - it was a huge success! Many residents of Brentford admired the art work of our children and were thoroughly impressed by the level of creativity and skill demonstrated. The atmosphere was filled with energy and inspiration, making it a truly memorable experience for all involved. It was a testament to the power of art in bringing people together and igniting conversations. A huge thank you to all the families that supported their children by visiting the show in person.

Rights Respecting School:

This week we have been focusing on 'Legends of Time' in the lead up to our History Day. We have been learning about Article 15:

"Every child has the right to meet with other children and to join groups and organisations, as long as this does not stop other people enjoying their rights."

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song:
Aretha Franklin - 'Respect'
