Dear Mrs Walia,

**Re: Collective Worship – Application for a “determination”**

I refer to your application for a “determination” exempting Cranford Primary School from the requirement to arrange for daily collective worship which is “wholly or mainly of a broadly Christian character” (Schools Standards and Framework Act 1998).

I confirm that the Hounslow Standing Advisory Council on Religious Education (SACRE) considered the supplementary information that had been requested for this application at its meeting on 17<sup>th</sup> November 2020 and can confirm that **renewal of the determination was approved**. This renewal will last 5 years until Spring 2025.

Members were satisfied that the school had met the necessary criteria. The members commented that it was not always clear if there is a focus faith for some of the themes and clarification may help with some of the ambiguity noticed eg Valentine’s Day. She In future the school should make these links more explicit.

The members commented favourably on the policies submitted and the overall ethos of the school.

If you have any further questions please don’t hesitate to contact the Clerk to the SACRE, Katharine Churcher (email contact supplied).

Yours sincerely,

Ranvir Singh

Chair of the Hounslow SACRE
