

Dear Parents and Children,

It is project time for the Summer Holidays!

For the holidays, we have collated 10 projects you can choose to complete in any order. You also have a diary sheet for each week of the holiday for you to write about your weeks during the summer. As well as this, please continue practising your times tables; learning your spellings; use the BBC website and Bug Club.

Remember to take care and look after yourselves.

From your teachers 😊

Project time!	
Project 1 All About You!	All About You! Create a project all about yourself! You can make a poster, write a story, create a factfile or anything else you would like! You can also create your project based on something you like rather than about yourself if you prefer. For example, if you like dinosaurs, your project could be about them!
Project 2 Maths	Four Operations! Create a poster showing what you know about the four operations (addition, subtraction, multiplication, division)
Project 3 Science	Plants Create a poster for our Science topic 'Plants'. You could draw a diagram of a plant or have a go at dissecting a plant with an adult!
Project 4 History	Heathrow Development! Make a fact file about Heathrow Airport OR a 3D model of the airport or a plane.
Project 5 PSHE	Event with loved ones! Write about a special day you spent with your family or friends in the Summer holidays.
Project 6 PE	Dancing! Create a dance routine for one of these songs: Katy Perry - Roar (Kidz Bop) - https://www.youtube.com/watch?v=82qwfpkEO-8 Old Town Road: https://www.youtube.com/watch?v=-0Xn4kd8xqY
Project 7 Maths	Multiplication! Practise your multiplication using the website Daily Ten! https://www.topmarks.co.uk/maths-games/daily10
Project 8 Art	Self-Portrait! Draw a self-portrait and write 5 facts about yourself!
Project 9 Reading	Storyboard! Read a book that you like and draw a storyboard explaining what happens. You can use just pictures or add a brief sentence explaining what happens in each part. You could fold a piece of paper in half and then half again to create different sections for your storyboard.
Project 10 English	Letter! Write a letter to your new teacher and tell them more about yourself! What is something you are good at? What do you like to do in your free time?
