

Dear Parents, Carers and Children,

What a busy first half term we have had in Year 1!
It has been lovely to watch the children settle in and become more confident. We are all very proud of their amazing learning and the work that they have completed!

We wish you all a relaxing and safe half term!

Dear Parents & Carers,

After the half term holidays, Year 1 will now begin completing weekly Spelling Tests in class. The children will receive their spelling words every Monday to practise at home ready for the test on Friday. Please assist your child in practising their weekly spelling words. The words will relate to the sounds that the children have learned in Phonics each week and will also include 2 Common Exception Words.

If your child does not bring their Spelling Book (small blue lined book) home every Monday, please do let us know.

Thank you,

Mrs Dell, Miss Spencer & Mrs van der Merwe
