Issue 26: 27th March 2026

Message from the Head Teacher

We've had a wonderful week here at school, filled with celebration and achievement. Our Year 4 pupils delighted parents with a fantastic Easter Assembly, and our Gymnastics Clubs impressed their parents with their skills during their end-of-term display. It has been a joy to see so much confidence and talent on show.

On Wednesday, we proudly held our Resilience, Confidence and Independence Awards ceremony, recognising the determination and strength shown by so many of our children. Today, we also celebrated our CPS Champions for March—pupils who consistently demonstrate our Three R's, show kindness to others, and act as positive role models within our school community. We are incredibly proud of all our children and love every opportunity to celebrate their successes.

We would also love to hear about achievements beyond school. If your child has a special talent, has accomplished something they are proud of, or has received an award, please do let us know—we would be delighted to share their success in our newsletter and inspire others.

A quick reminder to ensure your child brings a water bottle to school each day. Staying hydrated supports concentration and helps children stay ready to learn throughout the day.

Please note that umbrellas are not permitted in school. If your child brings one for the journey, we kindly ask that it is taken home by parents at drop-off.

We would also ask for your support at afternoon collection time. The gates open at 3:00pm, which allows plenty of time for pick-up, so there is no need to arrive earlier or buzz the gates in advance.

Finally, today marks the end of the Spring Term. School will be closed for the next two weeks for the Easter holiday, and we look forward to welcoming everyone back on Monday 13th April 2026.

Wishing you all a happy and restful Easter break.

Jasmeen Chana, Headteacher

SMALL ACTIONS, BIG IMPACT

#BeTheChange

www.stress.org.uk

 Stress Management Society
from distress to de-stress

Every meaningful shift in society started with someone who refused to believe they were “too small” to matter. If figures like Gandhi or Martin Luther King Jr. had waited for someone else to act, if they had believed their voice wouldn’t change anything, the world would look very different today.

The truth is this: no one is coming to save us. Real, lasting change doesn’t arrive all at once. It begins quietly, with individuals choosing to think differently, act differently, and care differently. The change we are waiting for starts with each of us.

What will we actually do? How will we turn awareness into action? How will we use the power of our own minds, our choices, and our connections to create real change?

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: Chain of love
