Issue 27: 17th April 2026

Message from the Head Teacher

Welcome back to the Summer term. This is always a busy time with trips, sports days and other events. Please ensure you keep a note of the dates, which can be found on the last page of this Newsletter, so that you do not miss anything.

For the Summer Term we have a new After School Clubs programme and a new lunch menu – further details of which can be found in this newsletter.

Our Year 6 children are currently working hard in preparation for their forthcoming SATs tests, which will take place this term. Please ask your child's teacher if you have any questions regarding these.

The school is being used as a Polling Station for the local elections, which take place on Thursday 7th May 2026. The school will be open to all children during this time following a risk assessment.

I hope that all of our families celebrating Vaisakhi had a lovely day and that everyone has a beautiful weekend. We will all be thinking of Miss Munden on Sunday as she is running the Manchester Marathon. Miss Munden is running for a charity called Dreamflight, a UK charity that takes children with a serious illness or disability on their holiday of a lifetime to Orlando. The experience can be life-changing and gives young people an opportunity to do something that medicine can't: discover independence, confidence and a new outlook.

Good luck Miss Munden!

Jasmeen Chana, Headteacher

Manchester Marathon

On Sunday 19th April, Miss Munden will be taking part in the Manchester Marathon and will be running 26.2 miles.

“After months of training, I’m excited to put all the hard work to the test and hopefully inspire our students to set big goals of their own. It’s been a challenging but rewarding journey, and I’m looking forward to crossing the finish line on Sunday” - Miss Munden.

On Monday we had a new Headteacher and Deputy Headteacher at Cranford Primary School. Bogdan won the prize to be 'Headteacher for the Day' at the Christmas Fair, and he chose Emanuela to be his Deputy. Bogdan and Emanuela had a very busy day starting with welcoming children and parents to school in the morning. They then checked handwriting, handing out stickers to those children with good handwriting. Bogdan and Emanuela went on a health and safety walk with Mrs Edet, checking the school for any trip hazards and loose wires. They also spent some lovely time reading to children in Nursery and Reception.

Clubs start on **Monday 13th April 2026** and run until **Thursday 16th July 2026**.

Clubs run from the end of the school day until 4:15pm for Key Stage 1 Clubs, until 4:25pm for KS2 Clubs and until 4:20 for mixed (Yr1-6) Key Stage Clubs. Please collect your child from the Berkeley Avenue entrance.

Please note, if the Club falls on a day when your child does not have PE, then they will need to bring their PE Kit to change into at their Club. Children should also bring a drink and a healthy snack for refreshment.

If your child would like to attend a club, please log on to [Parent Pay](#) to pay the fees – spaces are allocated on a first come first served basis and clubs must be paid for in advance. Refunds will not be granted and we reserve the right to withdraw a club if there is not enough interest.

Telephone numbers and contact details

It is essential that we have your up to date telephone contact numbers saved on the school's database. While day to day communication with parents is carried out using email we use telephone communication for dealing with emergencies such as any illness or accident concerning your child, school closures and any other urgent issues.

Several times over the last week we have been unable to contact parents whose children were in the Medical Room. Fortunately these children did not have serious injuries or illnesses.

Current safeguarding guidance suggests that each child has three or more contact numbers saved on the school's database. This might be the number for mum, dad, granny, uncle, sister or neighbour. Please let the school office know of any changes to your number.

Allergy Awareness Week (20 - 26 April 2026)

I wish I knew!

Three key messages

- Allergies can strike at any age.
- An allergy can make other health conditions such as asthma worsen.
- Getting a diagnosis for an allergy matters - it is the key to accessing the right care.

[Allergy Awareness Week 2026 | Allergy UK | National Charity](#)

Diagnosis Matters

Over 30% of adults have had a reaction to food, however only a small proportion have been diagnosed.

Around 25% of children in the UK have eczema. These children are more likely to develop asthma and hay fever and almost 5 times more likely to develop a food allergy. Fewer than 10% of children that have a food allergy have been seen by a specialist allergy clinic.

This awareness matters: this is an opportunity to help people recognise the signs and symptoms of allergies and how to get access to the right support.

Attendance and Punctuality

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: He's got the whole world
