Issue 33: 5th June 2026

Message from the Head Teacher

Today was Geography Day and we celebrated the National Day of Fieldwork with a range of exciting geography-based activities for all the children. Throughout the day, the children took part in practical fieldwork activities around the school grounds and local area. They explored their surroundings, collected data, and developed their skills in presenting and analysing information. The children also learnt how to use maps and compasses, and took part in a variety of other engaging geographical investigations. The children very much enjoyed developing their geographical knowledge, enquiry skills, and understanding of the world around them through hands-on learning experiences.

Parents and children in Years 2, 3 and 4 are invited to the forthcoming all-new 'Family Write and Shine' sessions. The session will provide ideas for creative writing, allow you to enjoy some quality writing time with your child and encourage the love of writing. When attending the session, your child will receive a writing book which they will be able to decorate to their liking. The sessions will be from 3pm - 4pm in the Key Stage 2 Hall on the following dates:

Monday 22nd June 2026 - Year 2

Tuesday 23rd June 2026 - Year 3

Thursday 25th June 2026 - Year 4

Please complete the [attached form](#) and pay the £1 cost on [Parent Pay](#) by no later than Wednesday 10th June 2026.

Our Summer Fair will take place on Friday 10th July after school. Please put this date in your diaries and let friends and family know. Our Summer Fair is one of our favourite events as it brings the whole community together.

Mrs Chana and Miss Khabra enjoyed having lunch with the Golden Ticket winners this week. Golden Tickets are awarded to children with 100% attendance for the academic year and each term we pull golden tickets out of a hat to see which children will get to have lunch in Mrs Chana's office. Well done children, keep it up!

Our Year 5 and 6 Tag Rugby team were lucky to attend the Allianz Kick Start rugby showcase at the home of rugby - Twickenham Stadium. They were coached in core rugby skills and values like teamwork, sportsmanship, and discipline by professional rugby coaches. They also met You Tuber and CBBC presenter Joe Tasker, which they found exciting!

OPAL Class Big Dig – Volunteers Needed - Tuesday 16th June at 3pm

Our PE specialist, Mr Whitfield, is hoping to transform the nature area next to the OPAL Class outdoor space so that the children can enjoy a larger outdoor area during playtimes. He is kindly giving up his Tuesday afternoon to help prepare the space and make it safe and ready for use.

Jobs that need doing include:

- Managing nettles, weeds and brambles
- Pruning tree branches
- General weeding
- Pond restoration (depending on the condition of the pond when we uncover it)
- Clearing leaves and general debris

If you are able to give a few hours of your time, please contact Mr Whitfield directly at mwhitfield@sportimpact.co.uk

Please wear suitable clothing and bring along any tools you think may be useful.

To help ensure everyone stays safe and comfortable, we kindly ask volunteers to:

- Wear appropriate protective clothing, including gloves and sturdy footwear
- Use any tools and equipment safely and responsibly
- Be mindful of their own physical limits
- Bring a bottle of water, as this may be physically demanding work and the weather could be warm

We greatly appreciate any support you can offer and look forward to working together to create an exciting outdoor space for the children.

Please try and arrive on time to ensure we can manage the large number of visitors to the school and ensure that we can work within our health and safety parameters.

All the children will need to come into school in a T-shirt of their house colour, black shorts and suitable footwear namely trainers or plimsolls. Teachers will remind children of what house they are in and what colour T-shirt they require. Jewellery should not be worn and would be best left at home. Long hair will need to be tied back. Children will also need to have a bottle of water, sun lotion applied at home and a sun hat.

In the event of wet weather, please check our website to see if Sports Day has been cancelled. There are alternative dates planned in the event of bad weather.

Attendance and Punctuality

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: Back in school again
