Issue 34: 12<sup>th</sup> June 2026

## Message from the Head Teacher

This week we welcomed all of the new Reception children who will be joining our school in September. They are all looking forward to joining our school family. If you know anyone who is looking for a new school in September please do not hesitate to recommend Cranford Primary School. Tell them to give us a ring, or come to the office, and we will show them round our lovely school.

I am sorry that the weather did not allow us to go ahead with the Sports Days this week. However, as shared in our Groupcall messages, we are hopeful that they will take place next week, as the forecast is looking much more favourable. Please see the schedule further down in this Newsletter.

We are delighted to announce that the Book Fair will be arriving at Cranford Primary School next week! Children and parents will have the opportunity to purchase a wide range of high-quality books at affordable prices, with both cash and card payments accepted.

Our PE specialist, Mr Whitfield, is hoping to transform the nature area next to the OPAL Class outdoor space so that the children can enjoy a larger outdoor area during playtimes. He is kindly giving up his afternoon on Tuesday to help prepare the space and make it safe and ready for use. If you can spare a few hours from 3pm we would be very grateful.

Our Summer Fair will take place after school on Friday 10<sup>th</sup> July. Please save the date and spread the word to friends and family. The Summer Fair is always one of our most enjoyable events, bringing our whole school community together.

Congratulations to brothers Armaan and Ayaan. They have both been doing exceptionally well in Karate and were recently awarded medals for their hard work and dedication. Armaan received a silver medal, and Ayaan received a gold medal.

Well done boys – your dedication, enthusiasm and skills have paid off!

### Hot weather arrangements

We hope that the weather is going to improve. When the weather does get hot, please ensure that your children come into school with a water bottle, sun hat and sun cream already applied.

### Medicine in School

Written consent from parents must be received before administering any medicine to a child at school. Medicines will only be accepted for administration if they are:

- Prescribed to that child
- In-date
- Labelled
- Provided in the original container as dispensed by a pharmacist and include instructions for administration, dosage and storage.

The exception to this is insulin which must be in date but will generally be available inside an insulin pen or pump, rather than in its original container.

Please bring all medicines to the main office – do not hand to the class teacher.

## OPAL Class Big Dig – Volunteers Needed - Tuesday 16<sup>th</sup> June at 3pm

Our PE specialist, Mr Whitfield, is hoping to transform the nature area next to the OPAL Class outdoor space so that the children can enjoy a larger outdoor area during playtimes. He is kindly giving up his Tuesday afternoon to help prepare the space and make it safe and ready for use.

Jobs that need doing include:

- Managing nettles, weeds and brambles
- Pruning tree branches
- General weeding
- Pond restoration (depending on the condition of the pond when we uncover it)
- Clearing leaves and general debris

If you are able to give a few hours of your time, please contact Mr Whitfield directly at [mwhitfield@sportimpact.co.uk](mailto:mwhitfield@sportimpact.co.uk)

Please wear suitable clothing and bring along any tools you think may be useful.

To help ensure everyone stays safe and comfortable, we kindly ask volunteers to:

- Wear appropriate protective clothing, including gloves and sturdy footwear
- Use any tools and equipment safely and responsibly
- Be mindful of their own physical limits
- Bring a bottle of water, as this may be physically demanding work and the weather could be warm

We greatly appreciate any support you can offer and look forward to working together to create an exciting outdoor space for the children.

**NATIONAL  
BUG BUSTING  
DAY**

**15<sup>TH</sup> JUNE  
2026**

National Bug Busting Day helps raise awareness about head lice, a common childhood condition that can affect anyone, regardless of cleanliness. Head lice are easily spread through close head-to-head contact, particularly among school-aged children. Regular checking of hair using a fine-toothed detection comb is the most effective way to spot them early. If head lice are found, treatment with a recommended lotion or wet-combing method can be effective. It is important to check and treat all household members if needed and to repeat treatment as advised. We encourage parents and carers to stay informed and carry out regular checks, especially during the school term. If you are unsure about treatment options or need advice, please speak with your local pharmacist.

## Arrangements for Sports Days 2026

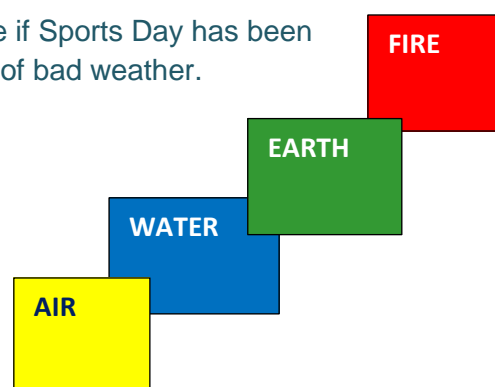

Preparations are underway for the forthcoming Sports Days – please note the dates and timings are as follows:

Date	Key Stage	Years/Classes	Timings
15 <sup>th</sup> June	KS1 Sports Day	Years 1 and 2	9.30am
17 <sup>th</sup> June	Opal Class Sports Day	Opal Class children	9.20am
19 <sup>th</sup> June	Early Years Sports Day	Morning Nursery, Rainbow and Reception	9.30am
19 <sup>th</sup> June	Early Years Sports Day	Afternoon Nursery, Rainbow and Reception	1.45pm
17 <sup>th</sup> June	Lower KS2 Sports Day	Year 3 and 4	9.30am
18 <sup>th</sup> June	Upper KS2 Sports Day	Years 5 and 6	9.30am

On the day of Sports Day parents should drop their children at the classrooms at the usual time. Parents, grandparents, uncles and aunts are all welcome to come and support. Spectators should make their way to the school field via the KS2 carpark – the gate will be opened five minutes before the start time. Please try and arrive on time to ensure we can manage the large number of visitors to the school and ensure that we can work within our health and safety parameters.

All the children will need to come into school in a T-shirt of their house colour, black shorts and suitable footwear namely trainers or plimsolls. Teachers will remind children of what house they are in and what colour T-shirt they require. Jewellery should not be worn and would be best left at home. Long hair will need to be tied back. Children will also need to have a bottle of water, sun lotion applied at home and a sun hat.

In the event of wet weather, please check our website to see if Sports Day has been cancelled. There are alternative dates planned in the event of bad weather.

## Attendance and Punctuality

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

**This week's song:** He's got the whole world
