Issue 35: 19th June 2026

Message from the Head Teacher

This week, we enjoyed wonderful Sports Days for Years 1, 2, 5 and 6, as well as Nursery, Reception and Opal Class.

I am sorry that the weather did not allow us to proceed with the Year 3 and 4 Sports Day as planned. We understand the disappointment and frustration this may have caused, particularly for parents and carers who had arranged time away from work to attend.

Please be assured that our decision was based solely on health and safety considerations and our responsibility to minimise the risk of injury to pupils. We appreciate that such decisions can be frustrating; however, they are never taken lightly and must be made based on the conditions at the time and the information available to us, factors that are unfortunately beyond our control.

The Year 3 and 4 Sports Day has now been rescheduled for Monday 22nd June at 9:30am, and we are hopeful for better weather conditions. However, I would like to stress that, should we have any concerns about the safety of pupils on Monday, we will not hesitate to postpone the event again. The safety and wellbeing of our children will always remain our highest priority.

Thank you to all parents who have attended our Book Fair this week. If you are yet to visit it will be open from 3.15pm this afternoon in the Purple class courtyard.

Thank you to Mr Whitfield, Mrs Baldwin, Cllr Sidhu and Cllr De Costa who worked really hard to transform the nature area next to the OPAL Class outdoor space. We are very grateful for their time and efforts.

On 23rd June 2026 the children will be having their class photo taken. Please ensure they come to school that day wearing their full uniform and their best smile!

Mahaam (Lilac)
Arunkathi (Indigo)
Abdifatah (Sienna)
Shaylon (Saffron)

These children were all in school on time every day last week and therefore present for the Golden Hour!

We are incredibly proud of the outstanding achievements of our school sports teams this year. Through hard work, determination, and excellent teamwork, our students have represented the school with distinction in a wide range of competitions.

Throughout the season, our teams have demonstrated resilience, sportsmanship, and a positive attitude, achieving impressive results against strong opposition. Their successes are a reflection of the hours of practice and preparation that take place behind the scenes.

We would also like to acknowledge the support of Coach Michael who plays a huge part in helping our teams thrive. And also, to Miss Cheema and Mrs Cruz who have encouraged our students every step of the way. We look forward to building on this success in the future and celebrating even more sporting achievements in the years ahead. Congratulations to all of our athletes on a fantastic year of sport!

On 23rd June 2026 the children will be having their class photo taken.

Please ensure they come to school that day wearing their full uniform and their best smile!

A safe adult makes a child feel listened to and confident. My safe adults should be teachers, family and police.

To speak out and stay safe you need to... feel confident, listened to, calmed down and great.

Attendance and Punctuality

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: Got a bit better
