Issue 38: 10th July 2026

Message from the Head Teacher

As you are aware we have changed the date of the Summer Fair to Monday due to today's extreme heat. Monday's forecast is a few degrees cooler but you will still need your sun hats and fans. We will ensure that we have lots of cold drinks and ice lollies to help us all cool down.

All parents should by now have received an email outlining which class their child will be in next year and who their class teacher will be. Please note that a lot of consideration has been made when deciding which children are in which class and we will not be moving children at the stage. By the end of next week, you will have received your child's end of year report.

All children will meet their new teacher on Monday 13th July during the day. At the Summer Fair all of the teachers will wear a name badge – please try and find your child's teacher for next year and introduce yourselves.

Please remember it is the children's parties on Wednesday 15th July. Parents are asked to provide a small donation to the party – teachers will advise what to provide. On the day of the parties, children can wear their own clothes to school.

Now is a good time to book your child's routine dentist or optician appointments so that you can get an appointment during the school holidays and avoid your child from missing school time.

This is a reminder that school will close after lunch next Friday - the 17th July – the last day of term. There will be no after school clubs or afternoon Nursery on Friday 17th. Collection times will be as follows:

1:00pm – Opal Class, 1:10pm – Years 6 & 2, 1:20pm – Years 5 & 1, 1:30pm – Years 3 and 4, Reception and Rainbow

Please ensure all children are collected on time.

Thank you for your ongoing support.

Jasmeen Chana, Headteacher

Congratulations to the following children who were awarded a merit this week:

Harman (1Lime), Karishma (1Lime), Julia (1Violet), Hailey (1Violet), Nicole (4Indigo), Avjot (4Indigo), Chris (4Indigo), Eliana (4Indigo), Munira (4Indigo), Scott (4Indigo), Alyssia (5Crimson), Agamdeep (5Crimson), Mayssa (1Green), Bogdan (1Green), Aarleen (3Ruby), Kudrat (3Aqua), Dominic (3Aqua), Sorina (2Purple), Vanelly (2Purple) and the whole of Year 6!

Congratulations to this week's Golden Hour winners:

Roman (Nursery pm)
Jaziel (Blue)
Anghelina (Lime)
Michael (Yellow)
Katelyn (Ruby)
Jostan (Topaz)
Reema (Emerald)
Larrisa (Amber)

These children were all in school on time every day last week and therefore present for the Golden Hour!

On Wednesday we held a special assembly called the RCI Awards. RCI stands for resilience, confidence and independence - qualities which we look to develop in our children.

Congratulations to all of the children who won an award.

We have received a number of complaints from our neighbours regarding parents parking across driveways during drop-off and pick-up times.

Please be considerate of those who live near the school and **do not park across or obstruct residents' driveways**, even if it is only for a short period. Blocking access can prevent residents from leaving or returning to their homes and causes unnecessary frustration.

We kindly ask all parents and carers to park legally and safely, allowing extra time if necessary to find an appropriate parking space. Where possible, please consider walking, cycling or parking a little further away from the school.

Please be aware that the Local Authority's Parking Enforcement Team patrols the area and may issue penalty notices to vehicles that are parked illegally or obstructing driveways.

Thank you for your cooperation and for helping us maintain positive relationships with our neighbours.

This week, the children enjoyed participating in Arts' Week, where the theme was 'The threads that bind us together'. All classes participated in dance, drama, music and art activities. The children in Years 3, 4 and 5 enjoyed an Art lesson delivered by a specialist Art Teacher from a local Secondary School.

To celebrate children's learning throughout the week, this morning the children gathered on the school field for a showcase assembly.

Attendance and Punctuality

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.
