Issue 39: 17th July 2026

Message from the Head Teacher

Thank you to everyone who came along to our Summer Fair on Monday. It was a fantastic afternoon and a wonderful opportunity to bring our school community together. It was especially lovely to see so many parents, grandparents, friends and former pupils enjoying the event. We are still counting the proceeds and will let you know how much we raised as soon as we have the final total. Thank you to all of the staff who supported the fair and helped make it such a success.

As we come to the end of another school year, we would like to wish our Year 6 children every success as they move on to secondary school. They have been a credit to Cranford Primary School, excelling not only in their academic studies but also through their many extra-curricular achievements. They are a kind, caring and talented group of young people, and they will be greatly missed by both staff and pupils. We are incredibly proud of all they have accomplished and know they will continue to thrive in the next stage of their education. We wish every one of them the very best for the future.

We also say goodbye to several valued members of staff who are leaving Cranford Primary School to begin new adventures. We would like to thank Mrs Rosario, Miss Chandarana, Mrs Sheikh, Miss Munden, Mrs Calderwood, Miss Yusuf, Mrs Vega and Mrs Lyons for their dedication and commitment to our school, and we wish them every success and happiness in the future.

A particularly special farewell goes to Mrs Lyons, who retires after more than 23 years of dedicated service to Cranford Primary School. Throughout her time with us, she has shown exceptional care, kindness and commitment, making a lasting difference to the lives of hundreds of children and their families. We are immensely grateful for everything she has contributed to our school community and wish her a long, healthy and very happy retirement.

I would like to wish all of our children, parents, carers and staff a peaceful, happy and restful summer break. I hope you enjoy spending quality time with family and friends and have the opportunity to relax and recharge over the holidays.

We look forward to welcoming all of our children back to school on Thursday 3rd September for the start of another exciting school year.

Jasmeen Chana, Headteacher

Congratulations to the following children who were in school every single day of this academic year.

100% school attendance ensures continuity in learning and prevents gaps in knowledge.

Students with near-perfect attendance are significantly more likely to achieve the expected standards in exams and develop essential social and emotional skills, while building disciplined routines and reliability highly valued by future employers. Well done!

We are delighted to announce that Cranford Primary School, have achieved the School Games Platinum Mark Award for the 2025/26 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. We are extremely proud of our pupils for their dedication to all aspects of school sport, including those staff who made our competitions possible.

OUR YEAR IN REVIEW

We have had such a wonderful year! The students worked together and had fun on various activities throughout the year. The students have worked hard to learn new skills that they will take with them into next year. We know each and every one of them is going to experience many achievements in their futures! Well done on your fantastic SATs results and for being such fabulous students!

Morrisons and Kellogg's are offering free breakfasts throughout the summer holidays at all Morrisons Cafés nationwide from **29 June to 6 September 2026**.

Free Morrisons Café Breakfasts This Summer:

With many families facing increased financial pressure over the summer holidays, we'd like to highlight a nationwide initiative that could provide immediate support in your local community. We're delighted to let you know that throughout the summer holidays, families can access free Kellogg's breakfasts in all Morrisons Cafes everyday.

- **'Breakfast Clubs' are back to help kids and grown-ups enjoy a free Kellogg's breakfast during the summer holidays at all Morrisons Cafés nationwide**
- **Initiative aims to ease money worries during school holidays**
- **New research reveals that parents will begin to feel the financial 'pinch' around week three of the summer break**

Morrisons and Kellogg's have announced the return of their school holiday 'Breakfast Clubs', offering free meals to families across the UK to help ease the financial pressure over the summer holidays. As schools close for the summer holidays, many parents face a financial pinch, with new research from Morrisons showing that more than half (54%) of parents feel the strain during the long summer period. In fact, "week three" of the school holidays is the critical tipping point where the financial impact is most acutely felt by households.

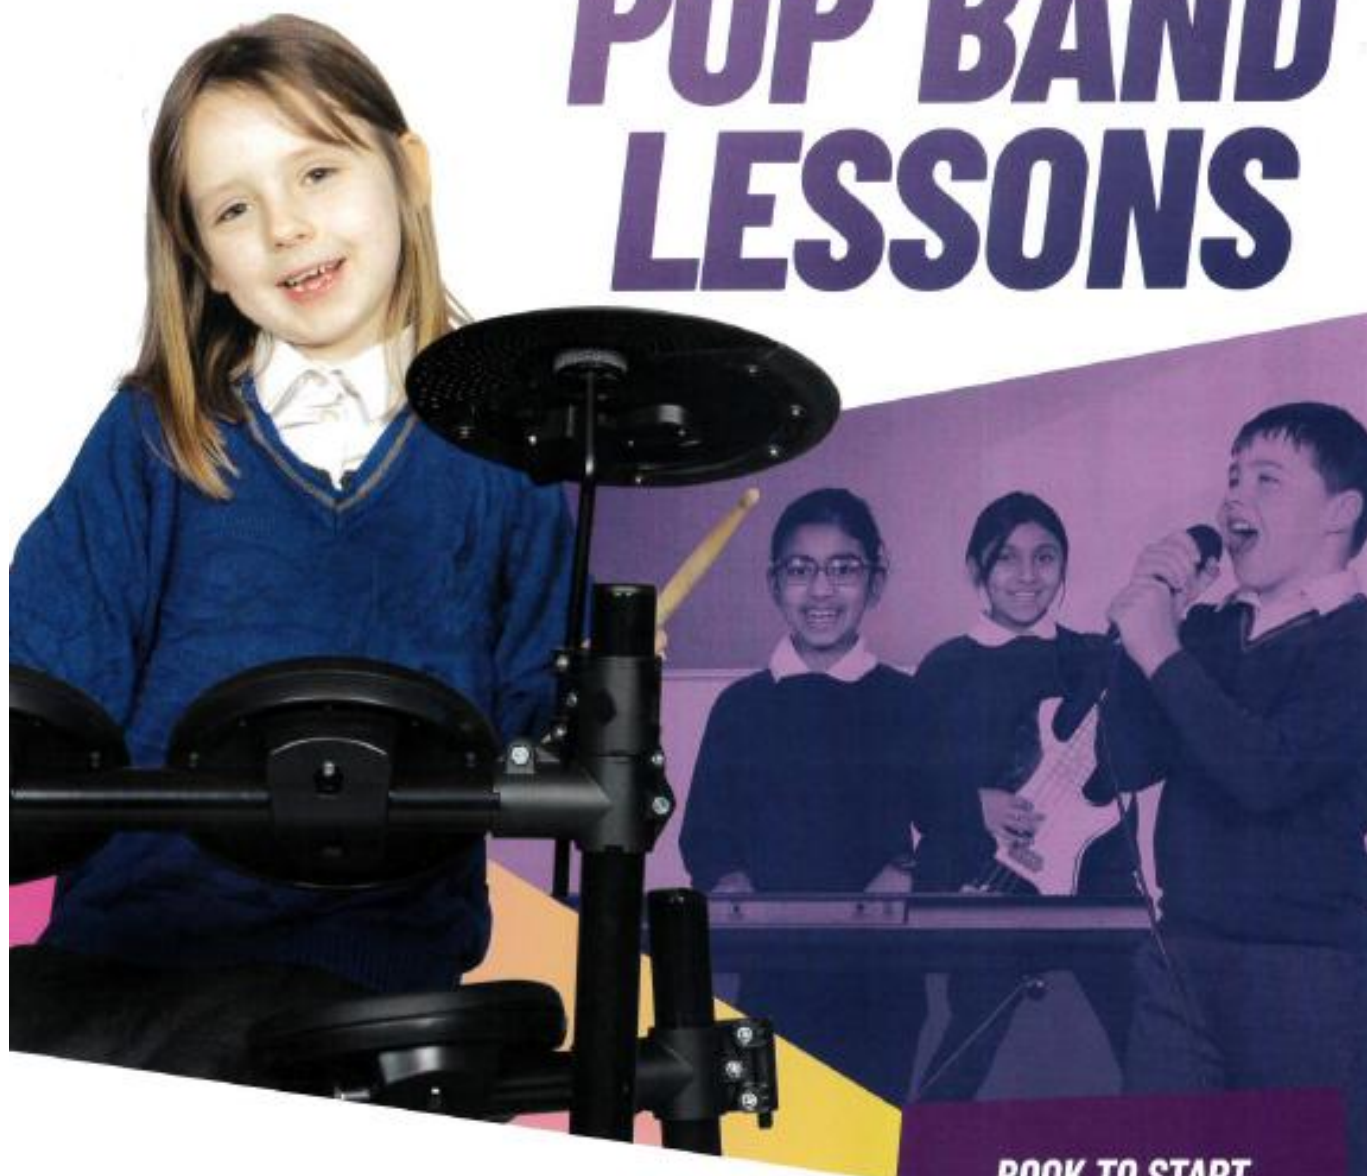

Almost half (48%) of parents also confessed they have been forced to skip meals entirely just to make ends meet and ensure their child does not go without – with breakfast being the number one thing cut from the menu. **Families visiting their local Morrisons Café throughout the summer holidays can enjoy a free 'Kellogg's Breakfast', which includes a bowl of cereal and a portion of fruit. The best part, it's not just for kids, adults get to eat completely free too.** Both kids and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana. The summer holiday offer will be available from 29th June to 6th September across all Morrisons Cafes nationwide*. The research also highlighted that alongside the financial strain, parents are also dealing with the repetitive demands of children at home during the holidays. Parents reported hearing the following phrases every day of the school holidays (between at least 1-5 times a day) – driving up the pressure to entertain, as well as keeping them fed:

- "Can I have a snack" - 44%
- "What are we doing today" - 43%
- "I'm hungry" - 40%
- "Can I play on my iPad / phone / console?" - 36%
- "I'm bored" - 31%
- "Are we there yet?" - 28%
- "Can I have a playdate" - 22%

By reopening the 'Breakfast Clubs' across the school summer holidays, when term-time clubs do not run, Morrisons and Kellogg's are providing families with a welcoming space to enjoy a balanced breakfast together, helping to ease financial strain and rumbling tummies, while a trip to the local supermarket will help keep kids entertained.

House Points Winners

House Points are awarded to children for having a positive attitude to learning for example by persevering and not giving up, by being a good role model to others and by making improvements to their work.

We have counted up all the tokens awarded this term and the winners are AIR House. Congratulations to all the children in AIR House who have all enjoyed a fun session with Mr Whitfield this week as a special reward.

Attendance and Punctuality

Outstanding attendance and punctuality are key to your child's learning and ensure that the best possible progress and attainment levels are achieved.

The school is under strict obligation to follow central government and local government guidance in relation to an absence from school. Therefore we do not allow children to take **any** time off during term-time. There are 13 weeks of non-school time throughout the year and this is the time during which holidays must be taken. If you have older children who attend secondary school you should remember to check their term dates before you book a holiday as term dates do not always coincide. Please note any absences occurring either side of school holidays will require medical proof of illness, otherwise the absence will be marked as **unauthorised**.

When booking routine medical and dental appointments every effort must be made to book appointments out of school time.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: Goodbye
