School finishes at 3.20pm. Children will be released from the Year 5 corridor doors.

If you give permission for your child to walk home alone from school, then you must complete the form sent. You will also need to give your child permission if you would like them to bring a phone

Homework:

Homework is a very important part of your child's learning in Year 5, for it sets the way for Year 6 and beyond.

We encourage all children to complete their homework on an electronic device, such as an i-pad or computer/laptop.

Every child in Year 5 has been given a Homework Diary. This will be used and recorded in on a regular basis. We believe that parental support is vital to each child's education and therefore request that Parents/Carers sign the diary once a week.

Thank you for your continued support with your child's homework.

What homework will my child receive?

Day	Subject area	How?	Due
Monday	Maths	Google Classroom	Wednesday

Top Tips for best homework practice:
