Cranford Primary School

Issue 2: 11th September 2026

Message from the Head Teacher

We are pleased to announce that OHM Coaching will continue to provide wrap around care at Cranford Primary School this year.

Breakfast Club will run from 7.30am until the start of school at a cost of £6 including breakfast.

After-school club will run every evening until either 4.30pm or 5.30pm depending on the parent's requirements. Please book places on the [OHM website](#). Alternatively, there are still places available on our own after-school clubs – please book these using [Parent Pay](#).

Parents will have received the Curriculum Handout and the Knowledge Organiser for this term's learning. The Curriculum Handout provides a quick, summary of this year's learning to help pupils and parents see what topics, goals, and schedules to expect this year.

Knowledge Organisers remind the children what they are learning and help them see the bigger learning journey as they continually revisit and retrieve prior learning from their memories.

Please refer to these documents with your child - they will assist in homework tasks and improve your child's knowledge around all of the learning being taught in school.

It is essential that we have your up to date telephone contact numbers saved on the school's database. While day to day communication with parents is carried out using email we use telephone communication for dealing with emergencies such as any illness or accident concerning your child, school closures and any other urgent issues.

Several times over the last week we have been unable to contact parents whose children were in the Medical Room. Fortunately, these children did not have serious injuries or illnesses.

Current safeguarding guidance suggests that each child has three or more contact numbers saved on the school's database. This might be the number for mum, dad, granny, uncle, sister or neighbour. Please let the school office know of any changes to your number.

Free Online Parent Workshops – Offered by the MHST

The **Mental Health Support Team (MHST)** are offering a range of free online workshops for parents and carers across Hounslow.

These workshops are a great opportunity to gain a better understanding of some of the challenges children may experience and learn practical strategies that can be used at home.

Upcoming workshops include:

[Supporting Your Child with Behaviour That Challenges](#)

Learn more about children's behaviour, the importance of routines, boundaries and expectations, and strategies to support positive relationships and communication.

[Supporting Your Child with Fears and Worries](#)

Explore how anxiety and worries can present in early childhood and learn practical strategies to support your child and prevent worries from escalating where possible.

The workshops are **online and open to parents and carers**. If you would like to attend, please register by clicking on the links above.

We encourage parents and carers to take advantage of these helpful and informative sessions.
