Issue 6: 9th October 2026

Message from the Head Teacher

It has been lovely to welcome so many family members into school this week! We always enjoy having the opportunity to share a little of what happens in school with you, and it has been wonderful to see so many of you taking part in our activities. The Book Fair was very well attended, with lots of children excited to explore the wide range of books on offer. Thank you to everyone who came along and supported this event. Your purchases help us earn rewards that we can use to buy even more wonderful books for our school library. We also had a fantastic turnout for our Year 1 Phonics Workshop, giving parents and carers a valuable insight into how we teach phonics and how you can support your child's reading journey at home.

Today, we were treated to two wonderful Harvest Assembly performances by our Year 2 children. They did a fantastic job sharing their learning and reminding us of the importance of being thankful for the food we have and thinking about those who may be less fortunate than ourselves. We are very proud of their efforts and would like to thank the staff who helped prepare such a lovely assembly.

Please remember that children should not bring toys or personal fidget toys into school. We understand that these items can be appealing, but they can be distracting in the classroom and during learning activities. We have resources available in school to support children where needed. If a child is seen with a toy brought from home, it will be confiscated and kept safely in the office until the end of the school day. Thank you for your support in helping us maintain a focused learning environment for everyone.

After a beautiful, long and hot summer, the weather has finally turned autumnal! Please ensure that your child comes to school with a jumper and a warm, waterproof coat. We want the children to enjoy fresh air and outdoor play whenever possible, even as the weather gets colder. Having the right clothing will help them stay warm, comfortable and ready to enjoy their playtimes.

Message from the Eco Warriors: This term we met all the Eco Warriors and received our Eco Warrior lanyards. In this week's assembly we will introduce ourselves.

Our first task was to ask our classes for their opinions about saving energy. We also asked how to make our school more eco-friendly.

You can help us at home by bringing to school used batteries and printer ink cartridges.

From Ahmed, Hanna and Munira, Year 5 Eco Team

Apply for a new year 7 secondary place

You can [apply for a new Year 7 secondary school place](#) for September 2027 if your child was born between 1 September 2015 and 31 August 2016.

If you're unsure, you can [check which application you should use for your child](#) at their age.

You can apply from Monday 1 September 2026.

The application deadline is midnight on Saturday 31 October 2026.

If you need, you can read the [user guide for making an online application](#).

If you submit your application after the deadline, it will be classed as late and only considered after all on-time applications have been processed.

Music is an important part of school life as it enhances children's moral and spiritual capabilities. Each week we will be sharing songs from the model music curriculum, which is used in our music teaching at Cranford. We would encourage and welcome your support by playing the music at home and discuss with your child what instruments they could hear, did they enjoy the music and how it made them feel.

This week's song: Hello
